

Friends of Carey Music

The Friends of Carey Music sees one of its major roles to provide support for the students and staff of Carey Music.

With this in mind, we will use email addresses to remind parents of upcoming Carey Music Events throughout the year.

With the current privacy laws, we are using an "opt-in" method to collect emails. Rest assured your email will only be used for Friends of Carey Music matters.

If you would like to be part of this initiative, we would appreciate if you could complete the form below and return it to the Carey Music School Office or alternatively, send us an email, giving your permission for the Friends of Carey Music to use your email address.
